

3 October 2022

Dear Attendees,

I am pleased to offer you an invitation as a Conference Attendee at the 24th Midwest Optimization Meeting & Workshop on Large Scale Optimization and Applications, hosted by Department of Combinatorics and Optimization. The dates of your visit is expected to be set for October 28, 2022 and ending on October 29, 2022.

For immigration purposes, you will be considered as Conference Attendee will be employment authorization exempt under R186(j) of IRPR and no work permit will be required. There will be no financial assistance provided by the University of Waterloo as it relates to this visit.

As your stay in Canada will be temporary, you will not be covered by the Ontario Health Insurance Plan. Proof of "Out-of Country" coverage under your medical insurance plan in your country of residence may be asked to be provided upon entry to Canada. If you do not have "Out-of-Country" coverage, you may purchase medical insurance as a visitor to Canada at your own cost.

All employees and formalized visitors of the University are required to comply with the University's vaccination requirements, which can be found here:

<https://uwaterloo.ca/coronavirus/return/vaccination-requirement>

Should you have any questions concerning your visit to the University, please communicate directly with Professor Henry Wolkowicz or me.

Sincerely,

Insert Chair/Director's or Dean's name and title
