

## INVITATION

We are pleased to invite all academicians, practitioners, and particularly young researchers, as well as students interested in all branches of operational research, mathematical modeling and economic analyses to participate in the conference and to present their papers in the following conference topics:

- Linear and Non-linear Programming
- Integer Programming
- Combinatorial and Discrete Optimization
- Multi-objective Programming
- Stochastic Models and Optimization
- Scheduling
- Macroeconomics, Economic Theory, Game
- Statistics and Econometrics
- Marketing and Data Analysis
- Information and Decision Support Systems
- Banking, Finance, Insurance
- Environment, Energy, Health
- Neural Networks and Fuzzy Systems
- Control Theory
- Simulation
- Practical OR and Applications

## INSTRUCTIONS TO AUTHORS

Authors who wish to present a paper at the Conference should submit the extended abstract, written in English, not more than one page. Extended abstracts and full paper have to be submitted through the on-line submission procedure only.
