

## Special extra-examples Friday tutorials

There will be a special “extra-examples tutorial” offered every Friday from 3:30 to 5:20 by Grad TA Shuntaro Yamagishi.

All Math 115 students are welcome!

If you can only come at 4:30 that is fine, you may still catch a few examples which will help you understand more subtle linear algebra concepts.

Where: MC 1056

When: Every Friday 3:20 to 5:20

How much does it cost: It's free! Bring a snack!
