MANAGEMENT EVALUATION of Case Study 1

Research Team	I.D.	Section
__________	__________	__________
__________	__________	__________
__________	__________	__________

Title Diet Problem ______

Evaluation

Knowledge of Model . . . . [30] __________

- Level - Treatment of Core Problem -Model
- Assessment of Solution Validity
- Sensitivity to Core Parameters

Sensitivity Analysis . . . .[30] __________

- Cost and RHS Ranges
- New Variables and Constraints
- Applicability to "customer"

Software Usage . . . . [20] __________

- Used/Developed
- Extensions Implemented
- Usability by "Customer"

Communication . . . . [20] __________

- Summary Section
- Written Presentation
- Usability of Model by "Customer"

TOTAL . . . .[100] __________

- -
