

Modeling and Optimization: Theory and Applications 2008

August 18-20, 2008

**University of Guelph
Guelph, Ontario, Canada**

*Including a Celebration of the
60th Birthday of Henry Wolkowicz*

**Join a stimulating medium-scale event for
researchers and practitioners in discrete
and continuous optimization.**

Plenary Speakers	Florian Jarre University of Dusseldorf	Don Jones General Motors	Joaquim Júdice University of Coimbra
Jean Lasserre LAAS-CNRS	Panos Pardalos University of Florida	Georgia Perakis MIT	Yves Smeers Catholic University of Louvain
